The Honorable Jeh Johnson
Secretary
Department of Homeland Security
Washington, D.C. 20528

Dear Secretary Johnson:

I am writing to immediately request any and all intelligence reports produced by any agency or division within the Department of Homeland Security over the last five years concerning Undocumented Alien Children (UAC) and family units entering the United States through the southern border.

Given the highly troubling reports of influxes of thousands of undocumented immigrants at our southern border, I expect these reports to be supplied in the fastest manner possible with delivery to my office within the next three business days to facilitate oversight of this issue, as is my constitutional duty.

Thank you for your attention to this matter and I look forward to receiving your response and the report(s).

Sincerely,

A handwritten signature in blue ink that reads "J. Randy Forbes".
