

“ I believe that life, even at its earliest stages, deserves our protection and our respect. Those in public service have a special obligation to act as advocates for the voiceless.”

LIFE IS PRECIOUS & DESERVES PROTECTION

NO TAXPAYER FUNDING FOR ABORTION. I voted to pass the *Restoring American's Healthcare Freedom Reconciliation Act*, which is the first time in history Congress has sent a bill to the President defunding Planned Parenthood.

THE VOICELESS DESERVE A VOICE. As a public servant, I feel I have a special obligation to protect innocent, young life. As I serve in Congress, it's not just a duty but a privilege to advocate for the unborn.

LIFE BEGINS AT CONCEPTION. Pre-born children deserve the same legal and constitutional right to live we all enjoy. That's why I co-sponsored the *Life at Conception Act*, declaring that life begins at the moment of fertilization.

RELIGIOUS FREEDOM IS NOT A SECONDARY RIGHT. The right to follow our conscience is not a secondary right in America. I will continue fighting to ensure every American can exercise that right without fear of consequences, through bills like the *Health Care Conscience Rights Act*.

What I've been working on:

- **Defund Planned Parenthood Act** (H.R. 3134) -- Places a one year moratorium on federal funds to Planned Parenthood. Passed the House on September 18, 2015.
- **No Taxpayer Funding for Abortion Act** (H.R. 7) -- Establishes a government-wide, permanent prohibition on the funding of abortion. Passed the House on January 28, 2015.
- **Pain-Capable Act** (H.R. 36) -- Prohibits abortions nationwide on unborn children beyond 20 weeks gestation, on the basis that they can feel pain at that stage of development. Passed the House on May 13, 2015
- **Born-Alive Abortion Survivors Protection Act** (H.R. 3504) -- Requires that the same degree of care is taken to preserve a baby's life and health who survives an abortion, as given to any other child born at that gestational age. Passed the House on September 18, 2015.
- **Protecting Life and Taxpayers Act** (H.R. 3197) -- Prohibits federal funds from being provided to an entity that performs abortions.
- **Member of the Pro-Life Caucus, Values Action Team, and Founder and Co-Chairman of the Congressional Prayer Caucus**—three official House caucuses dedicated to protecting life, family values, and religious liberty in America.
