

7<sup>th</sup> ANNUAL  
**CAPITOL HILL MODELING & SIMULATION**  
THURSDAY, JUNE 28, 2012 • RAYBURN BUILDING - FOYER

# EXPO

**This** summer, top-notch M&S demonstrations from around the country will be brought to the nation's capital at the 7th Annual 2012 Capitol Hill Modeling and Simulation Expo. With limited time, strained budgets, or under-trained staff threatening to stall the plans of our nation's largest industries, these industries turn to modeling and simulation (M&S). Leaders are realizing that M&S is the bridge that transforms future problems into current solutions.

As President of The National Training & Simulation Association in conjunction with the members of the Congressional Modeling and Simulation Caucus, I invite you to join us to take part in cutting-edge hands-on demonstrations such as:

- ☒ Fly in a real flight simulator
- ☒ Taking control of an entire city during a natural disaster
- ☒ Police small arms training
- ☒ Performing virtual surgery using state of the art robotics
- ☒ And many more exciting uses of simulation technology

NTSA is proud to sponsor the 7th Annual 2012 Capitol Hill Modeling and Simulation Expo. The chairmen of the Congressional Modeling and Simulation Caucus, Rep. J. Randy Forbes (VA-04) will make remarks at the exhibit along with other members of the Caucus.

RSVP is appreciated, but not required for your attendance at the 7th Annual 2012 Capitol Hill Modeling and Simulation Expo. Attendees may RSVP to Debbie Dyson with NTSA via email at [ddyson@ndia.org](mailto:ddyson@ndia.org); you may also direct questions about the expo to Ms. Dyson.

Sincerely,

*Fred Lewis*

RADM Fred Lewis, USN (Ret.)  
NTSA President

Future opt-out requests may be sent to Debbie Dyson via email [ddyson@ndia.org](mailto:ddyson@ndia.org) or [sriemer@ndia.org](mailto:sriemer@ndia.org)

10:00 OPENING REMARKS • 10:30 - 2:00 EXHIBIT HOURS
