

Congressman

RANDY FORBES Working on Behalf of Virginia's Nurses

Addressing the Nursing Shortage.

Supports federal workforce development programs to address the nursing shortage.

Increasing Technology in Nursing Education.

Introduced legislation that increases the use of simulation technologies and equipment in nursing education and training programs.

Calling for a Bipartisan Healthcare Plan.

Outlined a plan of steps that both Republicans and Democrats can agree on to start making advances in health-care.

Investing in Disease Research.

Introduced the Accelerate Cures for Patients Act, which would direct new funding for the National Institutes of Health for research projects that have the most clinical benefit for patients in the near-term.

Advancing Rural Health Priorities.

Joined the Rural Health Care Coalition (RHCC), a group of bi-partisan Members of Congress who are committed to advancing rural priorities in health care policy.
