

# CONGRESSMAN RANDY FORBES

## Working for Our Nation's Seniors

**“Guardian of Seniors Rights” Award.** Received the “Guardian of Seniors’ Rights” award for a strong record to protect senior citizens through the legislative process in Washington

**Honoring Commitments to Medicare and Social Security.** Supports the establishment of an independent, bipartisan commission to ensure the federal government honors the Medicare and Social Security commitments made to senior citizens.

**Fighting Tax Increases on Seniors.** Opposes permanent tax increases that would affect senior citizens whose pensions and savings are invested in the stock market.

**Protecting Seniors from Insurance Cancellations.** Introduced a bipartisan bill to protect seniors from health insurance companies terminating coverage without proper notification. The bill requires insurance companies provide at least a fourteen day notice of cancellation.

**Keeping Medicare Premiums Low.** Voted against the Medicare Physician Payment Reform Act which would raise Medicare premiums for seniors or force more physicians to stop accepting Medicare patients.

**Simplifying Medicare Billings and Protecting Senior’s Privacy.** Supported legislation that would establish a Commission to work with Medicare and the medical community to standardize and simplify Medicare billing practices while protecting senior citizen’s privacy.
