CONGRESSMAN RANDY FORBES

*Our veterans have carried the torch of freedom...
Congressman Forbes is working to ensure that the torch is passed
on to future generations.*

★ **Supporting our Veterans Today and Tomorrow**

Randy has a "Vision for our Veterans," a six-point plan to ensure veterans receive uncompromised care, excellence in hospital care, timely processing for disability claims, and full concurrent receipt.

★ **Improving Healthcare for Veterans**

Our veterans should have excellence in healthcare, but our veterans hospitals fall far short of this standard. Congressman Forbes supports providing oversight and stable budgeting to improve hospital care for our veterans, and has worked to prevent Tricare and VA benefit cost increases. Additionally, he has worked to secure a state-of-the-art clinic for veterans in Emporia, increasing veterans' access to healthcare in the Fourth District of Virginia.

★ **Sharing the Story of Our Veterans**

Freedom is not free. Randy wants to make sure our next generations truly understand the price our veterans have paid for the freedoms we enjoy today. He is a proud sponsor of the Veterans History Project, which shares the first-hand stories of those who have served on the frontlines in order to pass the torch of freedom to our next generations.
