CONGRESSMAN RANDY FORBES

SERVING VIRGINIA'S 4TH DISTRICT

Cody Childers, of Chesapeake, VA, dreamed of serving his country in the U.S. Marine Corps. He joined the Marines straight out of high school and was deployed to Afghanistan. Just a few months later, Cody's body came back home to his final resting place in Arlington National Cemetery. Just 19 years old. He gave his all.

I think of Cody, and the many like him who have served this nation, when I'm working in Congress every day. Here are a few recent initiatives:

- ★ **Ensuring our heroes receive the care they deserve.** Our veterans didn't wait to answer the call of duty; they shouldn't have to wait for timely medical care.
- ★ **Holding the VA accountable** for the service – or lack thereof – they deliver to our heroes (H.R. 1038).
- ★ **Keeping our promises to those who have served** by fighting the Administration's plans for TRICARE fee increases and opposing cuts to veterans' healthcare.
- ★ **Supporting military families** by helping military spouses transition more easily into new jobs (H.R. 1100).
- ★ **Caring for disabled veterans** (H.R. 333) and **reducing veteran homelessness** (H.R. 474).
